KAKENHI WRITING SEMINAR

for early-stage researchers

Evaluation Systems & Effective Storytelling

**Writing Tips for Early-stage Researchers**

Makoto Shida

URA, Research Acceleration Unit
WPI-ASHBi, Kyoto University

Daniel Packwood

Junior Associate Professor/PI
WPI-iCeMS, Kyoto University

What Makes an Effective Grant Proposal?

An effective proposal allows reviewers to grasp your research story at a glance. In this seminar, we will share the effective storytelling strategy that incorporates both your and the reviewers' perspectives, as well as writing tips from past awardees.

7.28 FRI

16:00-17:20
Zoom Online
