

Call for Applications: Program-Specific Junior Associate Professor or Program-Specific Assistant Professor (Research Coordinator)

Institute for the Advanced Study of Human Biology (ASHBi), KUIAS Kyoto University

October 3, 2024

Institute for the Advanced Study of Human Biology (ASHBi) was established to create and promote human biology to elucidate key principles of human traits, including disease states. In order to strongly promote the research activities of the Institute, we are looking for a non-research faculty who will be in charge of strategically improving the research environment and solving issues faced by researchers and the Institute, while maintaining close contact with researchers and related parties.

1. Job Titles:

Program-Specific Junior Associate Professor or Program-Specific Assistant Professor

2. Number of Positions:

One (1)

3. Affiliation:

Institute for the Advanced Study of Human Biology (ASHBi), KUIAS Kyoto University
Yoshida Konoe-cho, Sakyo, Kyoto 606-8501 Japan

(range of alteration) If the university permits or requests teleworking, the place of work includes the home, etc.

4. Eligibility:

Essential requirements are as follows:

1. The candidate has a PhD.
2. The candidate has a high level of knowledge in the life science field.
3. The candidate has a strong interest in strategic structuring of new support programs for promoting academic research.
4. The candidate can proactively collaborate with others and persistently work to find solutions.
5. The candidate has high level communicate skills in English.

5. Starting Date:

January 1, 2025 or the earliest possible date thereafter (adjustable according to individual requirements)

Institute for the Advanced Study of Human Biology (ASHBi) KUIAS, Kyoto University
Yoshida Konoe-cho, Sakyo, Kyoto 606-8501 Japan

6. Term:

Five (5) years in principle (from the day you take the position [negotiable] to March 31, 2026)
In and after the following year, the contract can be renewed annually depending on achievements until the end of the program. (Renewal of the contract is determined by taking into account the work volume at the time of the expiration of the contract period, work performance, attitude, ability, the status of progress of work performed, and the acceptance of the external funding for which the employee is employed.)

Initial probationary employment period: six (6) months

7. Job Descriptions:

ASHBi will investigate the core concepts of human biology with a focus on genome regulation and disease modeling, creating a foundation of knowledge for developing innovative and unique human-centric therapies. In order to strongly initiate research and to publicize our activities, the institute is seeking suitable candidates who will maintain close contact with researchers, develop new research support programs, train the early-career researchers, publicize research results and outreach (<https://ashbi.kyoto-u.ac.jp/acceleration/>). The details of the job are as follows:

- 1) To plan and propel the Strategic Research Support Programs to promote research activities (lab start-up, acquisition of external funding, research publicity, etc.)
- 2) To support for the creation of a research environment in which researchers can concentrate on their research
- 3) To proactively collaborate with others concerning research promotion at the Institute
- 4) To prepare Research Reports, Researcher Promotion Materials in both English and Japanese
- 5) To disseminate information about research activities using the ASHBi website
- 6) To organize seminars for fostering early-career researchers
- 7) To supervise and train the Office Assistants in charge of the public relations activities

8. Working Conditions:

Five (5) working days per week (days off: Saturdays, Sundays, public holidays, year-end and New Year holidays, and Foundation Day, as per University guidelines)

Working hours: 38 hours 45 minutes per week under a discretionary labor system.

- If the discretionary work system for specialized work is not applied, the employee works from 8:30AM to 5:15PM with one hour break (12:00-13:00).
- Overtime may be required when necessary.

9. Salary:

Paid annually in compliance with the rules of Kyoto University.

10. Allowance:

No allowance (such as for commuting, housing, bonuses, etc.) will be provided.

11. Social Insurance:

National Public Service Mutual Aid Association health policy
Employee's pension insurance
Employment insurance
Worker's accident insurance

12. Deadline:

Open until the position is filled.

13. Evaluation Procedure:

Submitted applications will be reviewed, and followed by interviews for short-listed candidates.

14. Application Method:

Application documents must be prepared in English according to the "**Application Guidelines**", and submitted as email attachments.

Submit via email to: ASHBi-recruit@mail2.adm.kyoto-u.ac.jp

15. Additional Information:

Submitted documents are used only for the purpose of applicant screening and hiring. Personal information will not be disclosed, transferred or loaned to a third party under any circumstances without a valid reason. Kyoto University promotes gender equality. As part of our university's measures to promote gender equality based on the provisions of Article 8 of the "Act on Securing Equal Opportunities and Treatment for Men and Women in the Field of Employment (Equal Employment Opportunity Act for Men and Women)", we will give priority to hiring women, if the evaluations are the same in the selection process.

To prevent passive smoking, Kyoto University prohibits smoking at indoors and outdoors at all campuses except for the designated smoking areas.
